

What is a Technology Expo?

IICA Technology Expos are run Australia-wide in capital cities and regional areas providing a one-stop shop to access equipment suppliers in a friendly, relaxed environment over a drink or nibbly.

IICA Technology Expos feature 30 + companies showcasing their products related to the Instrumentation, Control and Automation Industry.

Entry is Free, and the event is open to all, including managers, engineers, apprentices and students.

Come along for the whole event, or just drop in for a short visit, you're more than welcome.
